## FOR IMMEDIATE RELEASE

### Emergency Repair Work Scheduled on Highway 17

**Santa Clara County** – The California Department of Transportation (Caltrans) has scheduled two more nights of emergency work to reconstruct a damaged median barrier on State Route 17 near Los Gatos.

The work is scheduled from 11 p.m. to 7 a.m. on Saturday, May 30 and again on Sunday, May 31 from 11 p.m. to 5 a.m.

During the reconstruction the fast lanes in both the northbound and southbound directions of the road will be closed. One lane in each direction will remain open during the reconstruction.

Changeable message signs have already been placed advising motorists of the work.

Motorists are advised to use caution when traveling through the area and please "Slow for the Cone Zone."

Caltrans appreciates your patience and understanding during this construction and regrets any inconvenience these lane closures may cause motorists.
